Veterans Stadium, Shippensburg Memorial Park Facility Improvements for Baseball/Softball

The Shippensburg Area Athletic Association (SAAA) has partnered with the Shippensburg Community Park and Recreation Authority (SCPRA) to renovate the baseball/softball field inside Veterans Stadium, at Shippensburg Memorial Park. Renovation to the baseball field will include shifting the infield 17 feet away from the football/soccer field, an all-dirt infield with base anchors for 60', 70', and 90' base paths which will allow baseball and softball players of all ages to use the field, new backstop, new dugouts, batting cage, and bull pens. These renovations to the stadium will not only increase the quality of play for baseball/softball but will allow the stadium to host other sports, entertainment, civic, and cultural events. The stadium will be flexible and multifunctional. These renovations and additions will create a spectacular venue to host community events.
